RULE 1. GENERAL PROVISIONS

- 1.1. On February 9, 2017, the duly elected and appointed judges of the County Criminal Courts at Law of Harris County, Texas, adopted the following amended rules to facilitate the efficient management of the courts' dockets. These amended rules take effect March 9, 2017. The rules in effect prior to February 9, 2017, remain in effect until March 9, 2017.
- 1.2. These rules, in conjunction with the Code of Criminal Procedure, and the Government Code, govern proceedings in the Harris County Criminal Courts at Law. These rules shall not be construed as extending the jurisdiction of these courts, nor shall they be construed to overrule or conflict with the Texas Government Code, Texas Code of Criminal Procedure, Texas Penal Code, Texas Rules of Evidence, or Texas Rules of Appellate Procedure. These rules are intended to govern local proceedings where such rules are not in conflict with existing law and where such rules are consistent with state statutory law and rules promulgated by the Texas Court of Criminal Appeals and the Texas Supreme Court.
- 1.3. The district clerk shall not make any changes with regard to random filing, numbering of cases, docketing of cases, transfer of cases, assignment of settings, or any other matters that affect the distribution of work or the conduct of the business of the Harris County Criminal Courts at Law unless so directed by the Judges of the County Criminal Courts at Law.
- 1.4. The following rules shall govern the assignment of misdemeanor cases and other matters within the jurisdiction of the County Criminal Courts at Law of Harris County, Texas.

RULE 2. PROCEDURE FOR THE FILING OF CASES

2.1. Numerical Sequence

- 2.1.1. Each criminal and civil case filed and docketed into the county criminal courts at law shall be assigned a sequential number based on the following case number structure.
- 2.1.2. Beginning January 1, 2000, case numbers shall consist of seven numerical digits, the first case number filed on January 1, 2000, shall be "0978400." Case numbers shall continue sequentially thereafter, which scheme shall allow cases to be numbered through 9,999,999.

2.2. Random Filing

- 2.2.1. All misdemeanor proceedings filed with the district clerk shall be randomly assigned by the district clerk to the various county criminal courts at law. This shall be accomplished by means of a blind filing process that provides for the equal distribution of new cases in such a manner that it cannot be determined to which court a case will be assigned until after the assignment occurs.
 - 2.2.1.1. **Exception for presiding judge:** The presiding judge of the Harris County Criminal Courts at Law shall receive 20% fewer new case filings while acting in that capacity. To accomplish this, the district clerk shall assign 4 cases to the County Criminal Court at Law to which the presiding judge is elected for every 5 cases assigned to each other County Criminal Court at Law.
- 2.2.2. The primary means of assignment of cases shall be through the use of a computer program that provides for the random assignment and equal distribution of cases. The computer program shall be capable of maintaining a journal of filings and distribution of cases that will permit periodic or random audit to determine whether the program is assigning cases as intended.
- 2.2.3. If the primary means of assignment, the computer program, is not available, the district clerk's office shall use the manual random selection device for the filing of cases into

the county criminal courts at law. Prior to each case assignment, the random selection device shall be rotated on its axis, and one ball therein shall be withdrawn. The court number indicated on the ball randomly chosen shall become the assigned court for the case. The district clerk shall add the ball back into the random selection device immediately, so as to not disturb the random filing and docketing of all other cases into the county criminal courts at law.

2.2.4. The clerk shall receive, assign and account for all cases in ascending numerical sequence.

2.2.5. How Criminal Cases Are Attracted To Courts

2.2.5.1. Before using the computer program or the manual random selection device to determine court assignment for a given case, the district clerk shall determine by research whether the defendant named in the misdemeanor information has a prior connection to an existing case in any of the county criminal courts at law. A prior connection is established when:

2.2.5.1.1. a defendant is presently on community supervision in one of the county criminal courts at law;

2.2.5.1.2. a defendant is charged with driving while intoxicated, committed within five years of the date on which the most recent DWI offense was committed;

2.2.5.1.3. a defendant using a valid occupational driver's license granted by the judge of a county criminal court at law is charged with another DWI (Driving While Intoxicated) or DWLI (Driving While License Invalid);

2.2.5.1.4. a lower numbered cause, including a pending appeal of a class C offense from a justice or non-record municipal court, is pending against the defendant/codefendant in a county criminal court at law;

2.2.5.1.5. a defendant is charged and the charge arose from the same criminal transaction that was the basis of a misdemeanor information previously filed on a co-defendant;

2.2.5.1.6. a defendant has not discharged a prior sentence of confinement; or

2.2.5.1.7. a defendant appealed a final judgment, order granting community supervision, or denial of relief in a post-conviction habeas corpus proceeding that is still pending before a court of criminal appeals.

2.2.5.2. If one of the above prior connections exists, the new misdemeanor case shall be attracted to the court in which the defendant has the prior connection. If more than one prior connection exists, the new misdemeanor case shall be attracted to the court involved in the prior connection appearing first as listed above.

2.2.5.3. If a defendant has a pending case and is charged with a new case that would attract to a different court under these rules, all pending cases shall transfer to the different court (see Rule 3).

2.2.5.4. In the event that a case is attracted to a court in error, then the coordinator of the court receiving the case in error shall complete a transfer order to be signed by the presiding or co-presiding judge that orders the case back into rotation. The order is then returned to the district clerk for compliance therewith.

2.2.6. Filing of Cases Charging Public Lewdness, Gambling Offenses, Prostitution, Violations of the Alcoholic Beverage Code, or County or Municipal Ordinances Relating to Sexually Oriented Businesses

- 2.2.6.1. There is no attraction by either codefendant or transaction in cases charging public lewdness, prostitution, violations of the Alcoholic Beverage Code, gambling offenses, or county or municipal ordinances relating to sexually oriented businesses. The clerk shall apply all other rules of attraction.

2.2.7. Appeals From Justice of the Peace Court, and Non-Record Municipal Courts

- 2.2.7.1. The rules of attraction shall apply to an appeal from a judgment in a criminal case from a justice of the peace court, or non-record municipal court in the same manner as an original criminal case.

2.2.8. Re-files, Writs of Habeas Corpus, Mandamus, Prohibition, Restricted Driver Licenses, Fugitives

- 2.2.8.1. If a case is re-filed, it shall be assigned to the same court as the case it supersedes. The district clerk is then authorized to attract and set the re-filed case in the court where the initial misdemeanor information is or was pending. The setting date assigned to the re-filed case will be the same date as that of the initial pending case. If the initial case is no longer pending, the re-filed case shall be set in accordance with the rules governing the filing of new cases.
- 2.2.8.2. Motions for leave to apply for a writ of habeas corpus, mandamus, or prohibition shall be filed pursuant to an order by the court agreeing to hear those matters. Petitions for restricted driver licenses shall be filed in the court in which the conviction was entered and the driver license suspended. Petitions for restricted driver licenses filed by a Harris County resident that result from a suspension for an offense committed in another county (other than for driving while intoxicated or an offense or administrative violation that results in a suspension) shall be filed in any court agreeing to hear the matter, or as provided for in subsection B of Rule 2. Fugitive cases shall be filed in County Criminal Court at Law No. 10.
- 2.2.8.3. Unless the above categories of cases are later transferred by agreement of the judges or are transferred by authority of a separate order, all such assigned cases shall remain on the docket of the court of assignment until final disposition.

2.2.9. Appeals From The Administrative Suspension of a Person's Driver's License as Provided by Texas Transportation Code Chapters 524 and 724

- 2.2.9.1. See Rule 7.

2.2.10. Petitions for Occupational Driver's License

- 2.2.10.1. See Rule 15.

2.3. Application of Bail Schedule by District Attorney

- 2.3.1. In all cases, the District Attorney shall:
- 2.3.1.1. follow the bail schedule;
 - 2.3.1.2. provide the District Clerk with a signed order from a judge or judicial officer setting bail at a different amount; or
 - 2.3.1.3. request in writing a higher bond on a form provided for that purpose and attach it to the court's file.

2.4. Designation of Bail

- 2.4.1. The clerk shall enter the bail amount.
- 2.4.2. When the district clerk receives a complaint from the district attorney that is not accompanied by an order setting bail and the amount on the charge is not consistent with the bail schedule, the clerk shall enter the number “888888” in the bond amount field.

RULE 3. TRANSFER OF CASES

3.1. Research by Clerk

- 3.1.1. Upon filing and docketing of a misdemeanor indictment or information into the county criminal courts at law, the district clerk will determine by research whether the named defendant has a prior connection in any of the county criminal courts at law. This research shall be done in accordance with the criteria established in Rule 2.

3.2. Re-filing of Cases

- 3.2.1. All re-files of cases pending or dismissed shall be filed and docketed in accordance with statutory rotation. The district clerk is authorized to transfer and set the re-filed case in the court where the initial misdemeanor indictment or information is or was pending. If the initial case is pending, the setting date assigned to the re-filed case will be the same as that for the initial case. If the initial case is not pending, the re-filed case shall be given an appropriate setting in accordance with these rules.
- 3.2.2. All writs of habeas corpus, contempt, and ex parte matters shall be filed and docketed in accordance with these rules. The district clerk is authorized to transfer and set the proceedings in the court where a prior case connection exists or, if no prior connection exists, to transfer the proceeding to the court wherein the hearing on such proceedings is to be conducted.

3.3. Special Transfer Situations

- 3.3.1. S.O.B.E.R. Court Transfer on Motion to Revoke
 - 3.3.1.1. Upon receiving a motion to revoke the probation of a defendant in S.O.B.E.R. Court, and upon consent of the defendant, the judge presiding over the S.O.B.E.R. Court shall sign a docket notation that the case is to be transferred to a judge presiding over a different S.O.B.E.R. Court and specify the court to which the case is to be transferred as directed below.
 - 3.3.1.2. The Office of Court Management shall maintain a list of all judges presiding over S.O.B.E.R. Court dockets in numerical order by court number. Upon receiving notice that a case is to be transferred under this subsection, the Office of Court Management will consult the list and tell the sending court which judge is next on the list (in sequential order) to receive a revocation transfer. If the sending judge would otherwise be next on the list, the case will be assigned to the following judge and the sending judge will receive the next revocation for which they are eligible.
 - 3.3.1.3. The sending judge shall sign an order transferring the case to the receiving judge. The judges, coordinators, and clerks shall then proceed as with any other case transfer.

3.4. Docket Notation

- 3.4.1. When it has been determined that a case is to be transferred from one court to another, the judge of the sending court shall enter a docket notation that the case is to be transferred and shall specify the court to which the case is to be transferred.

3.5. Transfer Order

- 3.5.1. After the docket notation is completed, the clerk of the sending court will prepare a transfer order, obtain the judge's signature, and cause the signed order and court case file to be timely delivered to the clerk of the receiving court. The clerk of the receiving court will obtain the receiving judge's signature on the transfer order. At that time, the receiving coordinator will set the case in the receiving court and complete the setting information on the bottom of the transfer order.

3.6. Entry of Transfer Order

- 3.6.1. The clerk of the receiving court will deliver the completed transfer order and the court file to the district clerk's office. The transfer order will be entered and verified in the records maintained by the Justice Information Management System. The entries in the court case file will be completed prior to data entry/data verification of the transfer order. A copy of the completed transfer order bearing the transaction number will be filed in the court's case file. Duplicate copies of the transfer order shall also be provided to the clerk of the receiving court for delivery to the assistant district attorney assigned to that court and to the defense attorney of record.

3.7. Justice Information Management System Update

- 3.7.1. The district clerk shall update the Justice Information Management System records with the case setting date of the receiving court, and shall enter the reason for the transfer. At that time, the setting record remaining in the transferring court will be closed.

RULE 4. INITIAL SETTINGS

4.1. First Settings

- 4.1.1. The first setting date of the case shall initially be known as the arraignment setting, and it shall be provided by the district clerk on all cases except those filed as non-arrests, where instead a capias is issued for the defendant. The clerk shall set first settings in the following manner:
- 4.1.2. Cases filed on Monday through Thursday shall be set for arraignment on the same day of the following week. Cases filed on Friday, Saturday, or Sunday shall be set for arraignment on the following Friday. An arraignment setting shall not affect statutory timelines for determining indigence or appointing counsel.
- 4.1.3. Non-arrest cases shall be set for arraignment in accordance with the above rules upon the filing of an executed capias.
- 4.1.4. A defendant released from custody on a personal bond under the conditions described in TEX. CODE CRIM. P. ANN. art. 17.033, shall be set to appear in the court in which the case is pending at 9:00 o'clock a.m. on the day of release for the purpose of holding a hearing as required by TEX. CODE CRIM. P. ANN. art. 15.17. If a defendant is released from custody after 9:00 o'clock a.m., the defendant shall appear in court at 9:00 o'clock a.m. on the next business day.

- 4.1.5. The criminal law hearing officer ordering the defendant to be released shall, at the time the defendant signs a personal bond, order the defendant, in writing, to appear as provided above, and the hearing officer shall also direct personnel from the Pretrial Services Department to provide the defendant with written notice of the date, time and place that the court will be in session.
- 4.1.6. The hearing officer who orders the defendant's release shall immediately notify, by e-mail, the judge and the coordinator of the court in which the defendant is set, notifying them of the defendant's release and pending appearance in that court.
- 4.1.7. The district clerk shall enter the first setting at the time the complaint and information are filed. The setting information shall be reflected on the complaint document above the misdemeanor charge literal in a manner that will provide the setting information on all copies of the indictment, information, and complaint. Further, when a bond is filed with the district clerk, the district clerk shall provide written notice of the case's first setting date to the person filing the bond.

4.2. Probable Cause Hearings for Further Detention

4.2.1. Appearance Before A Criminal Law Hearing Officer

- 4.2.1.1. When the district clerk files an indictment, information, or complaint alleging the commission of a misdemeanor offense within the jurisdictional limits of a county criminal court at law and the defendant is in the custody of law enforcement officials in Harris County, the district clerk shall update the electronic records in the automated system to reflect that charges have been filed. Further, by general order of the judges of the county criminal courts at law, all law enforcement officials in Harris County shall cause the pretrial detainees in their respective custody, who have been charged with a class A or class B misdemeanor, to be delivered to the criminal law hearing officer not later than 24 hours after arrest for the purpose of conducting a hearing to determine probable cause for further detention. Personnel and electronic files, along with original and hard copy files, where appropriate, from the district attorney, district clerk, and Pretrial Services Department necessary to conduct the hearings shall be present and made available to the criminal law hearing officer. All detainees will be deemed to have been "taken before a judge or judicial officer" if they are physically present at the hearing, or if their participation is achieved by the use of high-speed, two-way audio/video transmission technology. In circumstances where audio/video technology is utilized, the entire hearing must be recorded and maintained by the court for a period of one hundred twenty (120) days after the hearing. A written record of the proceedings shall be made.

4.2.2. Hearing Actions

- 4.2.2.1. The criminal law hearing officer shall perform the following for every person for whom a hearing is conducted:
 - 4.2.2.1.1. inform the accused in clear, understandable language, or through the use of an interpreter consistent with TEX. CODE CRIM. P. ANN. arts. 38.30 & 38.31, as appropriate, of the charges against him and of any complaint or information that may have been filed against him;
 - 4.2.2.1.2. inform the accused of the accused's right to retain counsel; of the accused's right to remain silent; of the accused's right to have an attorney present during any interview with peace officers or prosecutors; of the accused's

- right to terminate police interrogation at any time; of the accused's right to request the appointment of counsel if the accused is indigent; inform the accused of the process for requesting an appointed attorney; ask the accused if the accused requests appointed counsel; and inform the accused that any statement the accused makes can and probably will be used against the accused at trial;
- 4.2.2.1.3. if the accused affirmatively requests appointed counsel, the judicial officer shall, if assistance is requested, instruct Pretrial Services Department personnel to assist the accused in completing the form.  - 4.2.2.1.6. immediately forward, or cause to be forwarded, a request for appointed counsel and any supporting documents to the judge of the court in which the case is pending;
 - 4.2.2.1.7. determine whether probable cause exists for the further detention of the accused on the charges filed, through the use of live witness testimony, affidavits, the arresting officer's testimony, an analysis of the written offense report, field notes, or other reports prepared by the arresting officer, except in those cases where arrest was pursuant to the issuance of a warrant;
 - 4.2.2.1.8. in cases involving the offense of stalking or family violence, determine whether a magistrate's order for emergency protection should be entered;
 - 4.2.2.1.9. enter the basis and results of the findings on the record and have the same included in the papers of the case file maintained by the district clerk;
 - 4.2.2.1.10. upon a finding that no probable cause for further detention exists, the criminal law hearing officer shall issue a signed order to the sheriff to immediately release the accused from custody in that case; and
 - 4.2.2.1.11. upon a finding that probable cause for further detention exists, the criminal law hearing officer shall, after determining whether the accused is currently on bail for a separate criminal offense, set the amount of bail required of the accused for release and shall determine the eligibility of the accused for release on personal bond, cash bond, surety bond, or other alternative to scheduled bail amounts, and shall issue a signed order remanding the defendant to the custody of the sheriff. A copy of such finding and return by the sheriff shall be retained by the district clerk in the case file.
 - 4.2.2.1.12. Judicial officers taking an action as identified above shall direct the clerk to make appropriate entries into the automated system as the facts and law require, as set out below:
 - 4.2.2.1.12.1. PC FOUND. Used when probable cause is found (i.e. on "to be" warrants, or when defendant is not present)

4.2.2.1.12.2. WARNS GIVEN. Used when the statutory warnings are given, PC has already been done.

4.2.2.1.12.3. PC/WARNs DONE. Used when the Judge/Magistrate does both.

4.2.3. Initial Bail Schedule

4.2.3.1. The bail schedule maintained by the county criminal court at law judges for all misdemeanor offenses occurring within the courts' jurisdiction shall be referred to by the criminal law hearing officer. The initial bail amount may be changed on motion of the court, the hearing officer, or any party subject to the following criteria:

4.2.3.1.1. the bail shall be sufficiently high to give reasonable assurance that the defendant will comply with the undertaking;

4.2.3.1.2. the nature of the offense for which probable cause has been found and the circumstances under which the offense was allegedly committed are to be considered, including both aggravating and mitigating factors for which there is reasonable ground to believe shown, if any;

4.2.3.1.3. the ability to make bail is to be regarded, and proof may be taken upon this point;

4.2.3.1.4. the future safety of the victim and the community may be considered, and if this is a factor, release to a third person should also be considered; and

4.2.3.1.5. the criminal law hearing officer shall also consider the employment history, residency, family affiliations, prior criminal record, previous court appearance performance, and any outstanding bonds of the accused.

4.2.3.2. Monitoring of Incarcerated Defendants

4.2.3.2.1. It shall be the responsibility of the courts' coordinators to monitor daily the status of each detainee still in custody to determine whether the detainee has appeared before the criminal law hearing officer for a detention hearing. If a detention hearing has not been held, the court will hold a hearing as set forth above. The court will also consider the issue of appointment of counsel where raised by the defendant.

4.3. Next Business Day Setting for Those Booked Into the Harris County Jail

4.3.1. The initial arraignment setting pursuant to Rule 4.1.2 shall be replaced with a bail review hearing setting for any arrestee that is booked into the Harris County Jail. The arrestee shall appear before the court in which the case is pending on the business day following the booking date, regardless of whether the defendant has been released from custody. Absent a waiver by the defendant and defense counsel, the court will review conditions of release, bail amount set, and personal bond decision and modify if good cause exists to do so. These hearings will be conducted at regular docket calls on Monday through Friday and the judge shall perform all necessary functions under the law (determining probable cause if necessary, performing an Article 15.17 proceeding if not previously done, assessing indigency and appointing counsel if appropriate, etc.). The defendant shall be docketed in accordance with the following schedule, and in such cases the initial seven-day setting shall be canceled.

Court Appearance Schedule			
Date Booked		24-Hour Appearance	
Sunday	0000-2400	Monday	0900
Monday	0000-2400	Tuesday	0900
Tuesday	0000-2400	Wednesday	0900
Wednesday	0000-2400	Thursday	0900
Thursday	0000-2400	Friday	0900
Friday	0000-2400	Monday	0900

4.3.2. At all other times (weekends, holidays, and nights), defendants booked into the county jail on any and all process pending in or issued out of the county criminal courts at law, shall be brought immediately before a criminal law hearing officer who shall determine if probable cause exists for the continued detention of the defendant.

4.4. Subsequent Settings

4.4.1. All subsequent settings of misdemeanor cases shall be the specific responsibility of the judge or coordinator of each of the county criminal courts at law, who will file a notice of setting in writing with the district clerk or provide notice by entry on the court's docket sheets. That notice is to be used by the clerk for recording data in the automated system.

4.4.2. Bond Reinstatement

4.4.2.1. When a case is again active because of the reinstatement of a bond, either with or without cost, the district clerk shall enter a seven-day setting, except when a setting already exists in the system. When a setting already exists, the date in the system shall prevail as the next setting date.

4.4.3. Bench Warrants and Attachments

4.4.3.1. Such documents shall have a setting date in the body of the document and the district clerk shall set accordingly.

4.4.4. Summons in Lieu of Capias

4.4.4.1. When a misdemeanor information is filed against a corporation in, for example, a pollution case, the process issued shall be a summons rather than a capias. The summons shall require that the corporation make an appearance at 10:00 A.M. on the first Monday next following the expiration of twenty days from the date of service.

4.4.4.2. When a summons is used against a defendant in lieu of a capias in a misdemeanor information that is a re-file of an earlier-filed misdemeanor information, the appearance date on the newly filed case shall be set for the same date as the earlier filed case, except when the earlier filed case has no setting. In

that event, both cases shall be set for seven days, and the setting in the re-filed case shall be for arraignment.

- 4.4.4.3. Neither a summons nor a *capias* may issue without a judicial finding of probable cause.

4.4.5. Notice of Appeal

- 4.4.5.1. The district clerk shall notify the court coordinator or judge of the court when a notice of appeal is filed in a case in which the court either has entered judgment or suspended the imposition of judgment. The court coordinator shall place the case on the court's docket as directed by the judge, or on the next regular business day. The court coordinator shall notify the defendant and the defendant's attorney-of-record of the setting.

4.4.6. Notice to Court When Appeal Bond Not Filed

- 4.4.6.1. When a defendant has given notice of appeal and an appeal bond has not been filed in the papers of the cause within forty-eight hours, a report shall be sent to the court apprising the court that an appeal bond has not been filed. Upon receiving such a report, the court shall notify the appellant/defendant's attorney. If the appellant/defendant has no attorney, the appellant/defendant shall appear before the court. If the appellant/defendant does not post an appeal bond, the court shall issue a *capias* for the appellant/defendant.

4.4.7. Mandate of Abatement

- 4.4.7.1. The district clerk and court coordinator shall notify the staff attorney for the county criminal courts at law upon receipt of a mandate or order of abatement. The court coordinator shall set a date from fourteen (14) to twenty one (21) days from the date of receipt of order or mandate. The coordinator shall notify the surety, the principal, and the attorney-of-record by certified mail.

4.4.8. Mandates of Affirmance and Reversal and Remand

- 4.4.8.1. The district clerk, upon receipt of an order or mandate, shall determine whether the defendant is in the Harris County jail. If the defendant is in jail, the case shall be set the next day court is convened. If the defendant is on bond, the district clerk shall immediately issue a *capias* for the defendant, provide a seven-day setting, and forward the information to the court coordinator. Immediately upon receipt of the information from the clerk, the court coordinator shall notify the attorney-of-record on appeal, the surety on the appeal bond, if one exists, and the appellant by regular mail. The court coordinator shall also attempt to notify the above parties by telephone.

4.4.9. Violation of Post Judgment Orders

- 4.4.9.1. The Sheriff shall bring any person arrested for violating a post judgment order issued by a Judge of a County Criminal Court at Law before a Criminal Law Hearing Officer. The Hearing Officer shall determine the identity of the person, and conduct a hearing on the reasons for the person's arrest and enter such orders as provided by law.

4.4.10. Petitions for Non-disclosure

- 4.4.10.1. In accordance with TEX. GOV'T CODE § 411.081(d) petitions for non-disclosure are filed with the district clerk, a fee is paid, and the case is set.

- 4.4.10.2. Petitions filed under this section will be set by the district clerk, upon collection of the filing fee for fourteen days from the date the petition is filed, or as ordered by the court.

RULE 5. ADDING CASES TO THE DAILY DOCKET

- 5.1. Only the judge or the coordinator of the court may approve the addition of a case to the docket.
- 5.2. To request the addition of a case to the court's docket, the requesting party (district attorney, defense attorney, court clerk, sheriff, et cetera), shall submit to the court coordinator the case number, defendant's name and status (jail or bond), and the reason for the request.
- 5.3. Those cases approved for addition to the court's docket will be submitted via the county criminal courts at law add-on form to the clerk of the court by 3:00 p.m. of the day before the case(s) is/are to be added to the docket. Jail cases may be exempt from this time requirement.

RULE 6. DOCKETING OF MISDEMEANOR INDICTMENTS

- 6.1. Upon receipt of a misdemeanor indictment returned by a Harris County grand jury and certification that the case is to be transferred to the docket of the county criminal courts at law, the case shall be randomly filed and docketed into the county criminal courts at law in the manner prescribed by law and in accordance with these rules.
