## ADMONISHMENTS

1) You have been charged with the criminal offense indicated on the reverse side of this document.

2) If you are charged with a felony, you have the right to an examining trial.

3) You have the right to remain silent. You are not required to make any statement. Any statement you make may be used against you.

4) If you are a non-U.S. citizen who is arrested or detained, you are entitled to have us notify your country's consular representatives here in the United States.

5) You have the right to have an attorney present during any interview with peace officers or attorneys representing the State of Texas, and you may terminate the interview at anytime.

6) You have the right to hire an attorney.

7) If you cannot afford to hire an attorney, you have the right to ask the court to appoint an attorney to represent you.

## How to Ask for An Appointed Attorney

If you believe you are indigent and ask the Court to appoint an attorney to represent you, you will be asked to complete a form detailing your financial condition. You may ask for a Court Services Officer to help you to fill out the form. The judge who is assigned to your case will review your form and hold a hearing to determine whether you are entitled to have a lawyer appointed to represent you.

If you are released on bail, have not completed the financial form, and want the Court to appoint an attorney to represent you, you must complete the financial information form and present it to the Court.
